DMV permit test prep you can see.

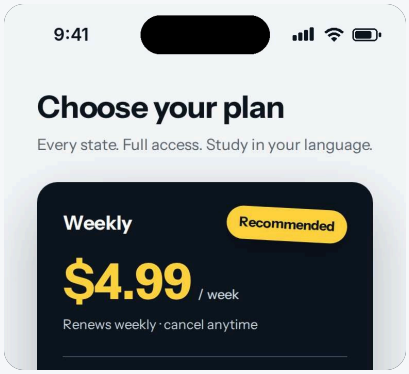

My Permit Pass helps new drivers prepare for their state's DMV permit test. Learners practice with exam-style questions built for their state, take mock exams graded to their state's passing standard, and review the questions they missed. Many situational questions come with a top-down road scene that plays after you answer. An AI tutor explains the answers in English, Spanish, Chinese, Korean or Russian. Available on the web and on iPhone, iPad and Android. Anyone can practice 10 questions a day free without signing up; full access is $4.99 a week (cancel anytime) or $24.99 for 8 weeks.
